

# WOMEN IN HEALTHCARE SECURITY NETWORK

## Site Champions

As a WIHSN Site Champion, you will

- Promote the core values, mission, and vision of the Women in Healthcare Security Network
- Motivate others to join the network
- Lead a good cause that improves the work culture
- Educate new members and allies
- Learn new professional and interpersonal skills
- Be the point of contact at your site for WIHS
- Distribute WIHS swag when appropriate
- To make a positive impact on someone every day!

It is not just what you do every day, it is who you are that makes you a great fit for this role.

- Have an engaging and energetic personality
- You are flexible and adaptive
- You are a team player
- You are friendly and approachable
- You are a clear communicator
- You are goal-oriented

**Together we make a difference!**
